The College now invites applications for the following post:

**Information Technology Unit**

**System Analyst / Assistant System Analyst** (Ref. 160219-03)

**Duties**

The appointee will be required to:

(a) assist in analysing user requirements and performing system design;
(b) perform system development and enhancement, database design, testing, implementation and related support tasks;
(c) conduct bug-fixings and prepare documentation;
(d) carry out maintenance of servers and database systems; and
(e) perform any other duties as assigned.

The appointee may be required to work on shift duties in evenings and weekends.

**Qualifications**

Applicants should have:

(a) a recognised degree in Information Technology, Computing Studies or a related discipline;
(b) five years’ relevant post-qualification experience; and
(c) good interpersonal and communication skills.

Preference will be given to those with knowledge of Redhat Enterprise Linux and shell scripting, HTML, CSS, PHP, JQuery, Ajax and Oracle PL/SQL.

Applicants with less experience will be considered for the post of Assistant System Analyst. Shortlisted candidates may be invited to sit for a written test.

**Remuneration and Conditions of Service**

Salary offered will be commensurate with qualifications and experience. Initial appointment will be made on a two-year contract. Re-engagement thereafter is subject to mutual agreement.
